*A PROJECT OF THE COUNCIL OF GRADUATE SCHOOLS*

# Primary Goals of the UC Consortium

1. Analyze the career preferences and outcomes of alumni and current graduate students.
2. Use this to strengthen career services, professional development opportunities, and mentoring.
3. Foster conversations on how doctoral programs can be improved so as to better support career diversity.
4. Create sustainable practices for gathering and assessing career outcomes data for program improvement.

# Methods

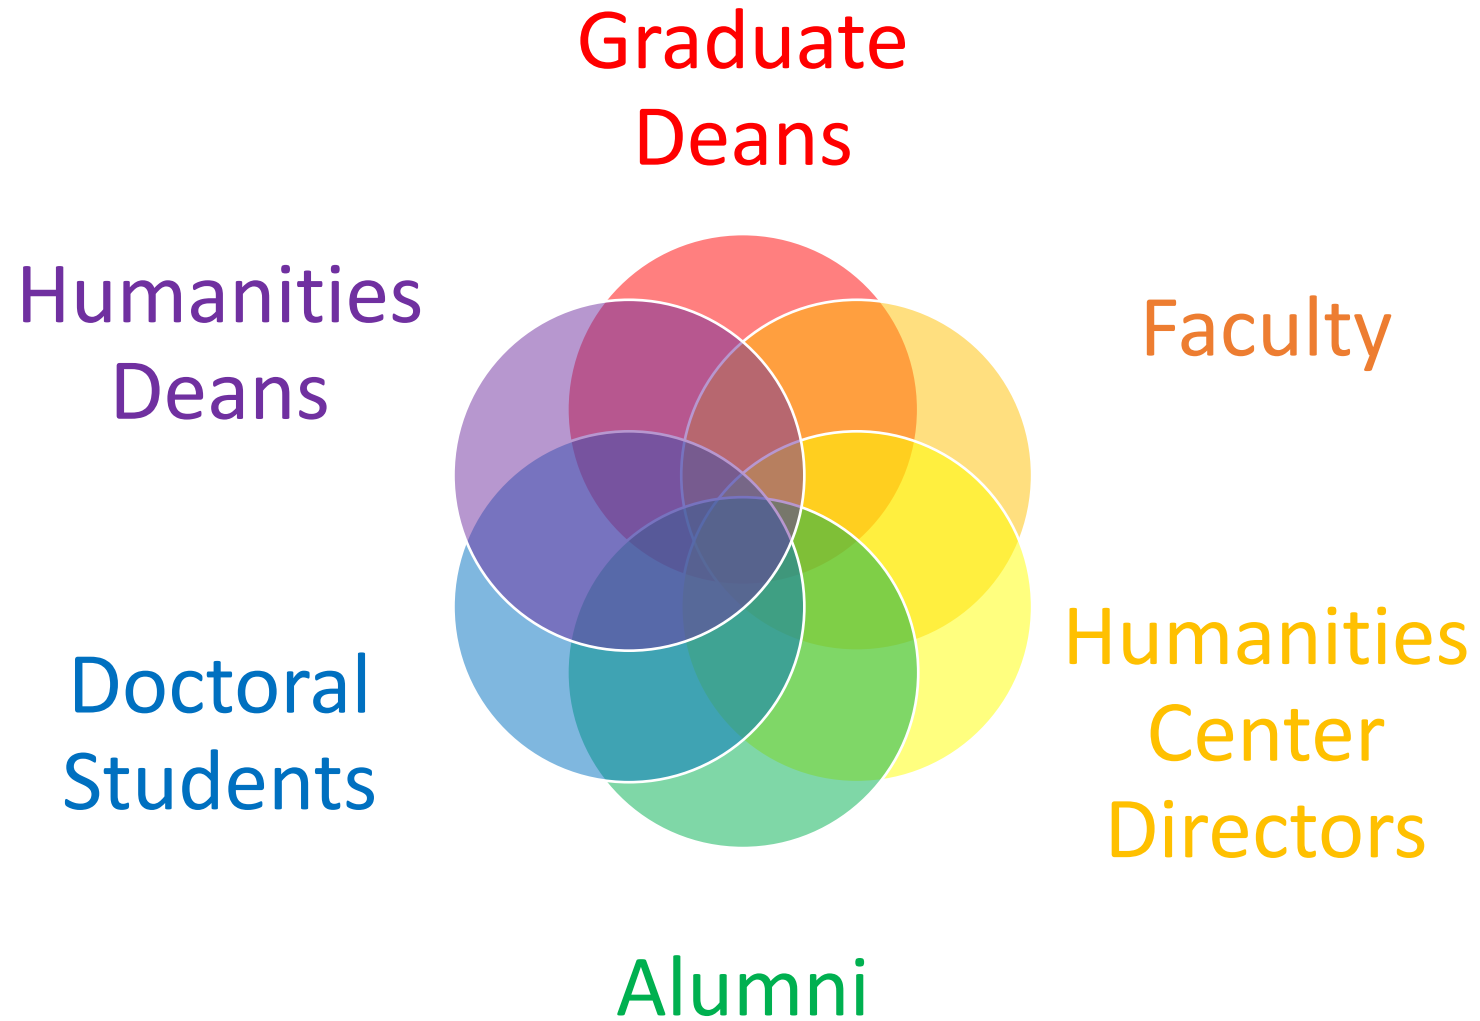

Alumni Surveys (2018, 2019, 2020)

Student Surveys (2018, 2019, 2020)

Communication (Moving forward)

# Today

# Today's Goals

Evaluate the results of this project so far

Start a conversation about:

- What our students are doing post-graduation
- How well we have prepared them
- What more we would like to know
- How we can improve our programs and better support transitions into diverse and satisfying careers
